Our style is casual, our music is meaningful, and our messages are relevant to everyday life. After service, we'd love for you to send us an email, direct message, or comment on a post letting us know how you did church online.

And if you missed a service, they're online at [icrossroads.org/series](https://icrossroads.org/series).

And for our kids and students, we have services with worship and Bible lessons for all ages in their own videos.
