Courage is being brave enough to do what you should do, even when you're afraid.

Read: Psalm 31:14

DAY 1
What Will Happen?

Let's experiment! Before you do the experiment, read the directions below and guess what might happen!

Fill a glass halfway with **water**, add **1 tbsp baking soda**, add **3 raisins** cut or ripped in half, and fill the rest of the cup with **vinegar**.

You might not have known what was going to happen based on the directions, but if you followed them, you should have seen something pretty silly happen with those raisins. Sometimes we are a lot like that. We know that we should follow God's direction but sometimes don't. But when we do, really cool things can happen!

LOOK to do what you should even when you don't know what will happen.

DAY 2
Hard as Rocks

Go outside and find a rock big enough to write on. Wash the rock off, and when it is dry, write the word "COURAGE" on it. Place this rock in your bedroom, bathroom, or next to the door you walk out of to go to school. Let this rock be a reminder that when things are hard and you don't know what else to do, you can talk to God and ask for courage.

ASK God to give you courage when things get hard.

DAY 3
You Are My God

Look up this week's verse and say it a few times. After you get the hang of it, shout the verse as loud as you can (but warn your household first). Yell it loud enough that the heavens can hear you shouting, "You are my God!"

KNOW that you can trust God!

DAY 4
I Trust in You

This month we learned that when we trust in God. God can give us the courage to do what is right when we are scared or unsure. Let's thank God for always being with us.

"Dear God, this month I have learned what it means to have courage. I know that when I am scared or unsure, I can ask You to help me. Please help me to always do what is right and to do what I should even when I don't know what is going to happen. I pray that I can be courageous in teaching others about You. I love You, God. Amen."

You can do what you should even when you don't know what will happen.
