

Confidence is living like you believe God is with you.

Read: 1 John 4:7-8

Share The Love

Play a game of freeze tag with some friends. Whoever is “it” is “love” and those who get tagged are “loved.” To signal you have been tagged, stand frozen with your hand on your heart until you get unfrozen.

LOOK for ways that you can share God’s love.

God is Love

Look up 1 John 4:7-8. Read through this verse a few times. Talk with someone in your house about people you can love and people you can tell about God’s love.

ASK God to help you share His love with others.

Send A Hug

Create and send a hug to a friend. Trace your two hands and cut them out, cut out a heart shape as big as your hands. Attach the palm side of your hands to either side of the heart. Fold hands over heart. Inside of the heart, write or draw a picture of something you love about God. Send it!

KNOW that everyone needs to know about God’s love.
