

A Work in Progress

Philippians 1:3-6, 9-11

God began a work - He is carrying it on - He will complete it!

Personally:

What has God begun in you?

Are you aware of God's hand at work?

Are you cooperating with Him?

As a Church:

Can you discern what God is doing?

**Are you in sync with God's mission for
Crossroads?**

Who are you partnering with?
