

Teach Us to Pray

Matthew 6:9-13

**Jesus did not say this is what you should say.
Jesus said, “This is how you should pray.”**

1. Prayer begins with worship.

The more time we spend worshiping God’s greatness, the less time we spend on telling God all the things that we need Him to do for us.

2. Prayer moves to surrender.

It’s not that the Christian life is hard or even difficult. Living the Christian life is impossible.

3. Prayer ends with petition.

Three Ps we ask for:

Provision

Pardon

Protection
